ANTIQUE WOOD SERIES

协进装饰
XIE JIN DECORATION

Antique wood series derive inspirations from wood watching hundreds of years time elapsing. The series restore the vicissitudes of time with dignified colors as well as mottled textures.

With decoration of antique wood series, sense of the age would be transmitted. Gradually varied design as well as fading grains silently tell the stories of time.

Pella Antique Wood

Size: 1240*1230mm

Floor/Furniture Decorative Printing Paper

Restrained color, scattered texture

The deep and restrained color integrates with the scattered texture and rough and crazy wood grain. The pattern is lined up, the luster is deep, and the backbone of the wood grain is rich. It is presented in space with a chic country style and mellow feelings.

Our product

BAMBOO PATTERN SERIES

协进装饰
XIE JIN DECORATION

We dig into bamboo pattern to design our bamboo series. Texture of bamboo is delicate and smooth, shaping a special decoration style.

The texture is mainly straight and solid, decorated with some irregular grains and different-shade colors.

Rivers Bamboo Pattern

Size: 1240*1230mm

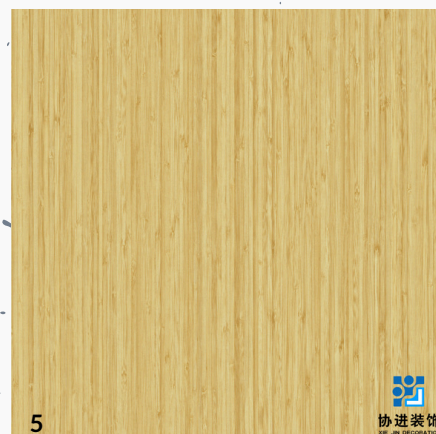

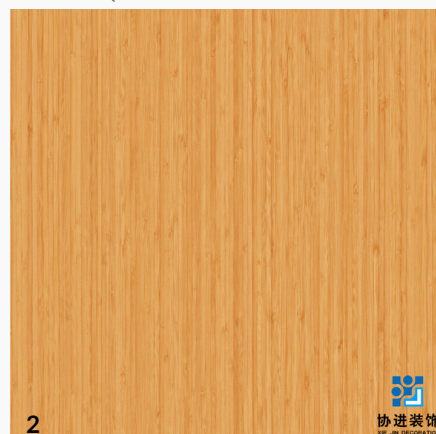

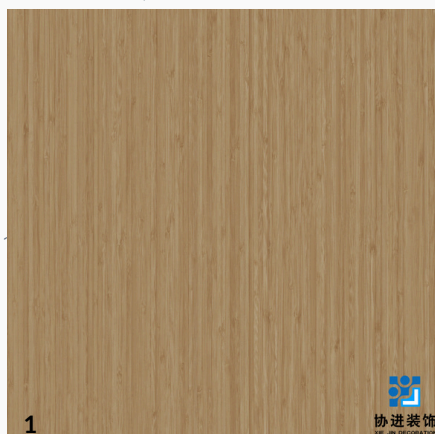

Floor Decorative Printing Paper

Bamboo grain, unique color

Inspired by bamboo grain texture as well as soft, clear, bright and uniform color, we use the delicate texture of bamboo grain, combined with unique color to make silk sound and bamboo rhyme gather. When digging deep the artistic conception hidden under the surface, it turns into rhythm of points, lines and surfaces, which draw the picture of modern nature.

Our product

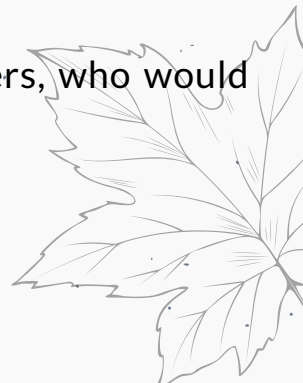

PARQUETRY SERIES

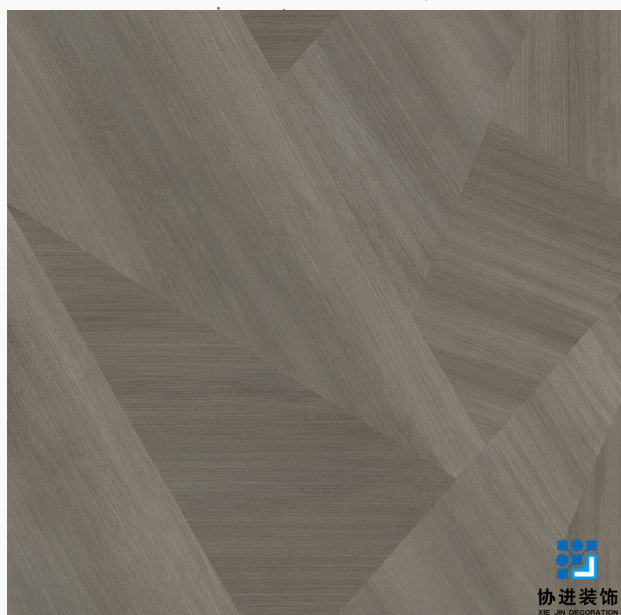

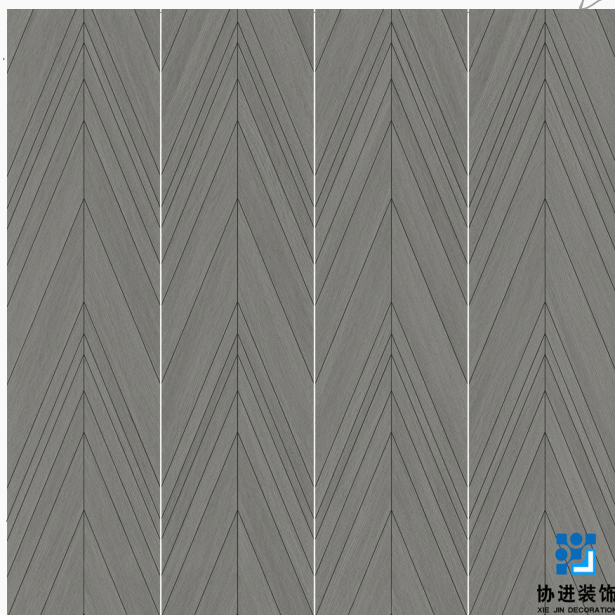

协进装饰
XIE JIN DECORATION

Patterns and colors of parquetry is specially developed by designers, who would combine wood pattern and colors with other modern elements.

Parquetries are mainly in shape of 'herringbone' and 'triangulation'.

Merimee Parquetry

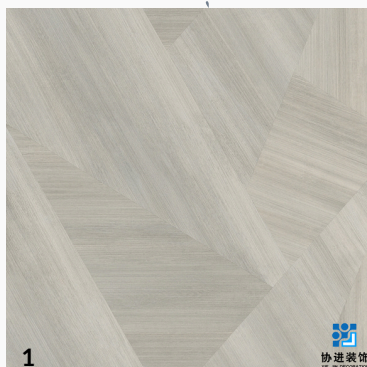

Size: 1240*1230mm

Floor Decorative Printing Paper
Mountain side

For most people, the deep mountains and valleys are unattainable dreams, because our bodies have too many realistic fetters and concerns after all. Imagine that you find a home between mountain side near green water shore to see fish jumping and kite flying, and listen to insects singing. We design Merimee parquet deriving from this kind of hermit life.

Light Luxury Parquetry

Size: 1240*1225mm

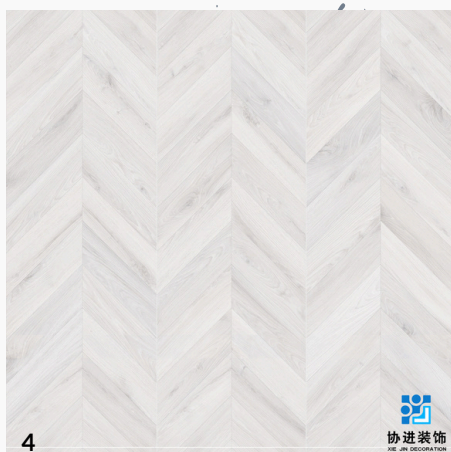

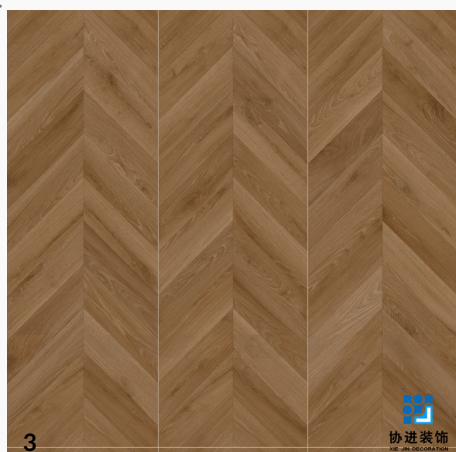

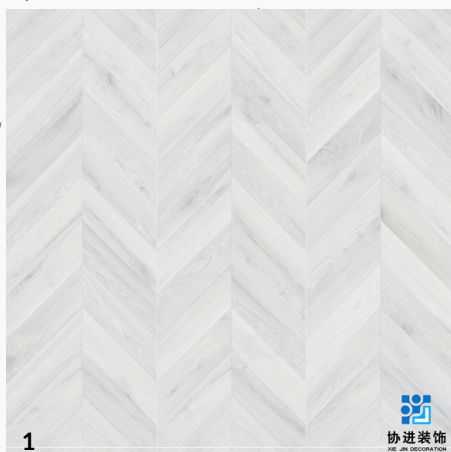

Floor Decorative Printing Paper

Contains infinite vitality and tolerance of nature

The Mosaic wood floor with clear and flexible wood texture as well as delicate and warm touch not only has a strong sense of design, but also contains the infinite vitality and tolerance of nature. With the European literary atmosphere of home decoration style combined, it shapes an irreplaceable romantic mood.

Starry Sky Parquetry

Size: 1240*1224mm

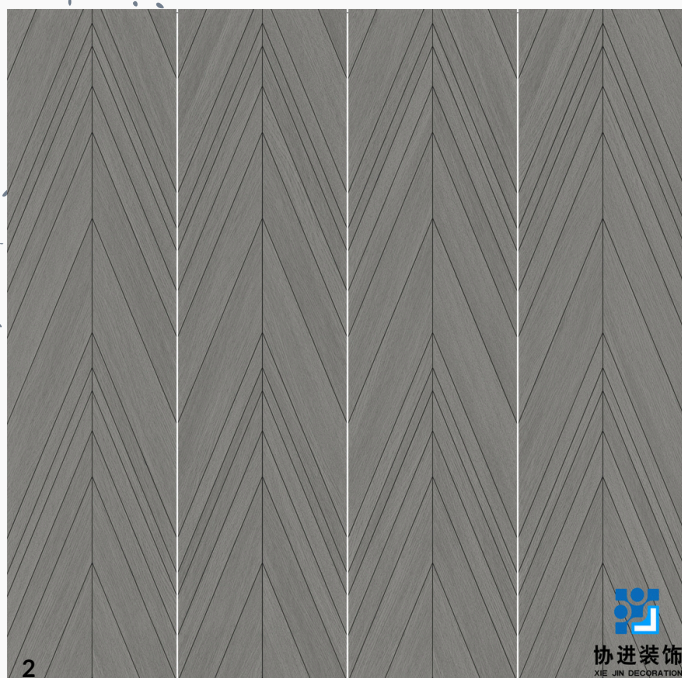

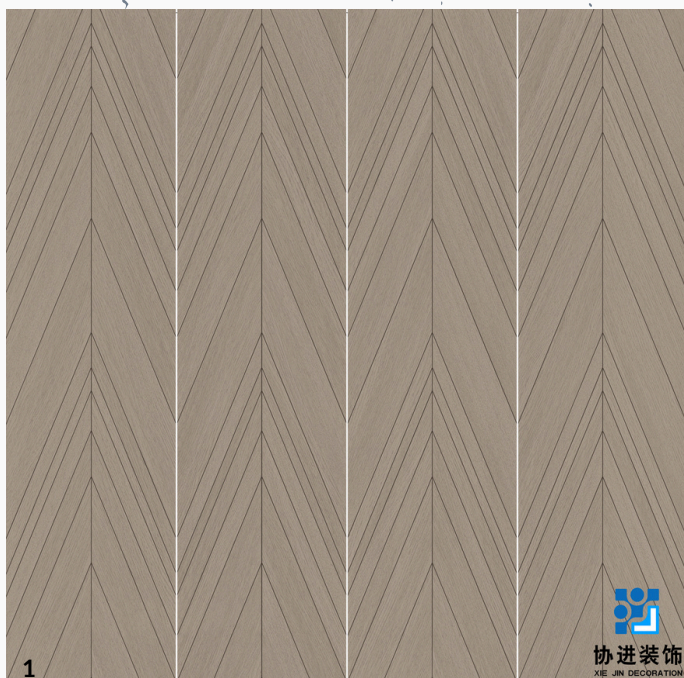

Floor Decorative Printing Paper

Spreading and stretching atmosphere

The high brand herrybone parquetry floor is arranged so that people can feel a strong and amazing visual impact when they step into the space. Three-dimensional lines as well as spreading and stretching atmosphere interpret the vivid and unique beauty of the herrybone wood floor.

Our product

STRAIGHT GRAIN SERIES

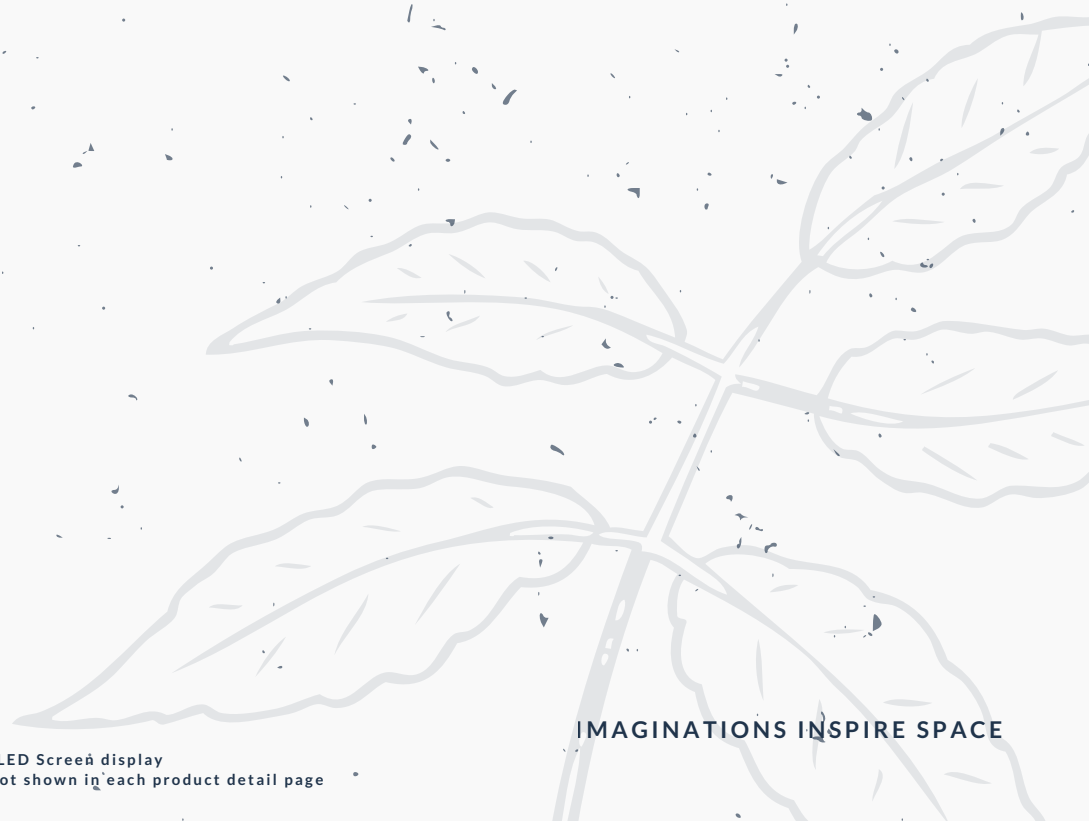

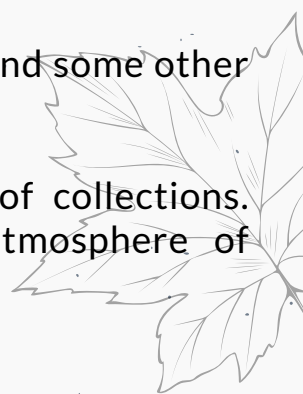

协进装饰

XIE JIN DECORATION

Straight grain could be widely found on oaks, walnuts, teaks, elms and some other commonly known woods.

In the series, we employ straight grain element on the design of collections. Combined with wooden style colors, it could establish the atmosphere of simplicity and toughness as well as a sense of order.

Ayous Straight Grain

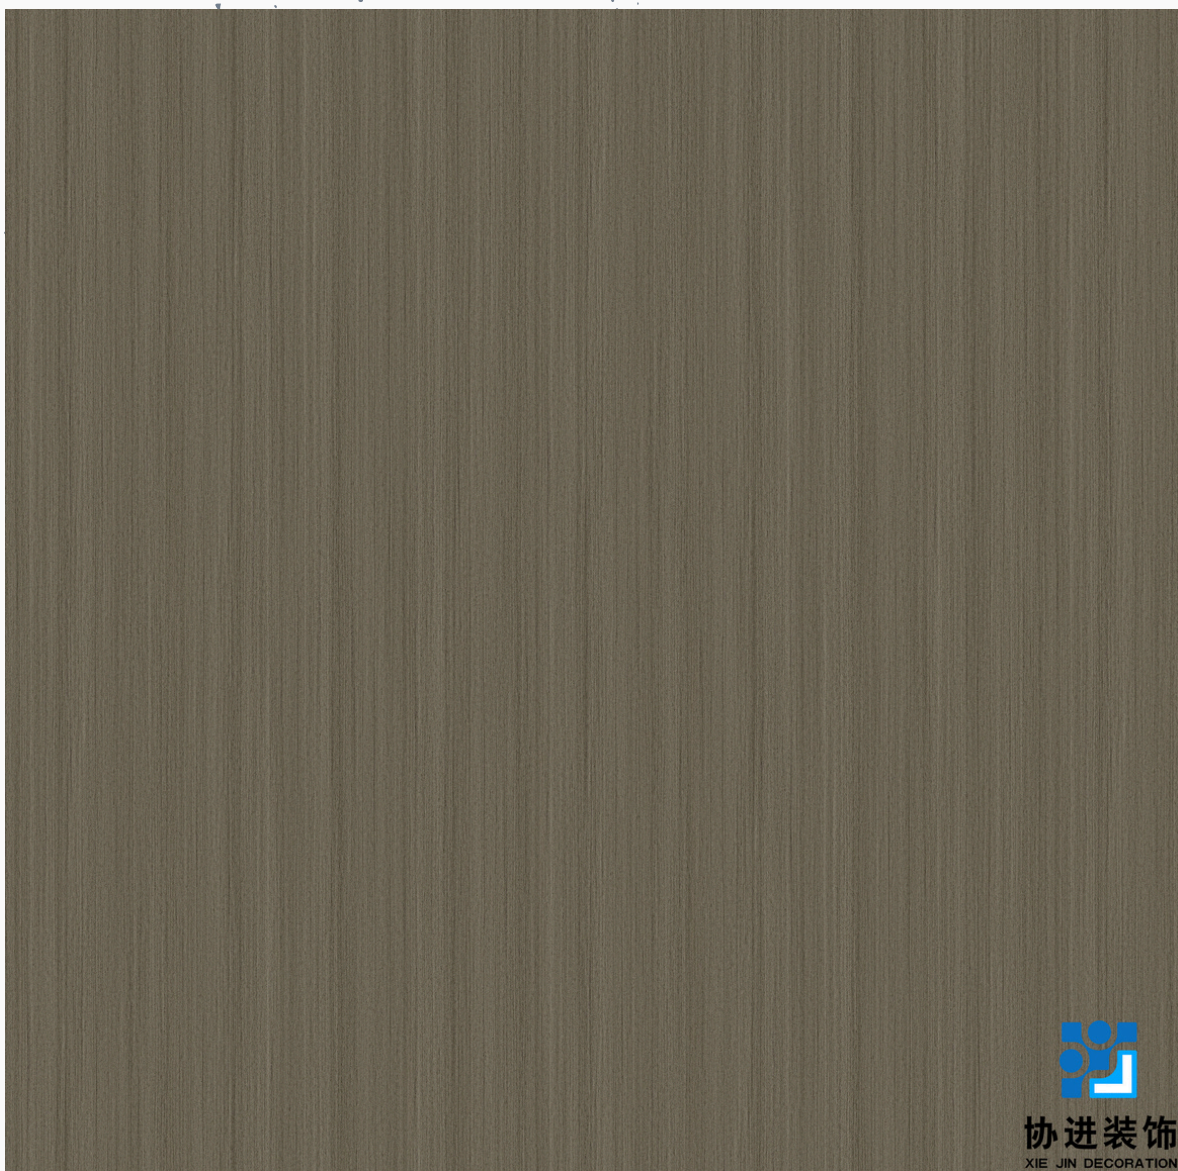

Size: 1240*1230mm

Floor/Furniture Decorative Printing Paper

Warm and delicate texture

The spring blooming of trees symbolizes a rich and beautiful scenery with a strong sense of lines and smooth softness. The narrow and uniform technological wood grain, with a warm and delicate texture, is as pleasing to the eye as a stunning flash, creating a clear and understated decorative effect.

Vanvo Cement Pattern

Size: 1240*1230mm

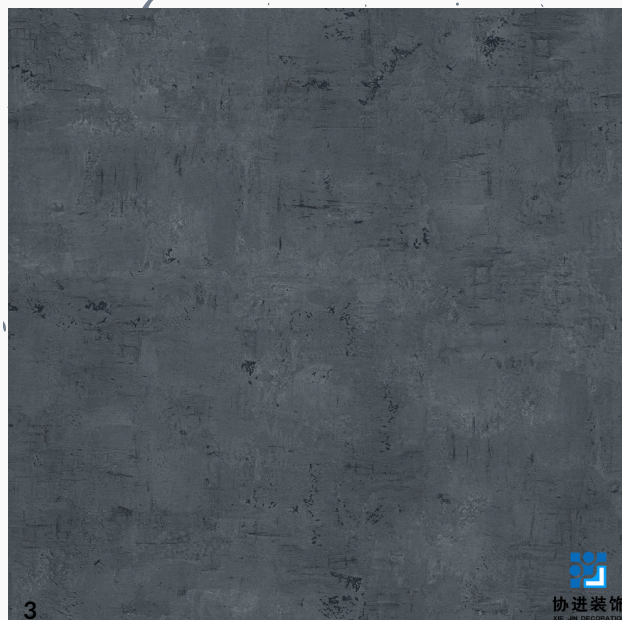

Floor/Furniture Decorative Printing Paper

Original industrial style atmosphere

Cement pattern is one of the free, primitive and natural emotional expression media. It is the texture presented after the cement grinding, with different shades, concave and convex, creating original industrial style atmosphere. After experiencing the baptism of time, cement pattern will show the true mark of life.
